NOTES:

1. **A Member entitled to attend and vote at the Annual General Meeting (AGM) is entitled to appoint a proxy to attend and vote instead of himself and the proxy need not be a Member of the Company.** The instrument appointing the proxy, in order to be effective, must be deposited at the Company's Registered Office, duly completed and signed, not less than FORTY-EIGHT HOURS before the meeting. Proxies submitted on behalf of limited companies, societies, etc., must be supported by appropriate resolutions/authority, as applicable.

A person can act as proxy on behalf of Members not exceeding fifty (50) and holding in the aggregate not more than 10% of the total share capital of the Company.

In case a proxy is proposed to be appointed by a Member holding more than 10% of the total share capital of the Company carrying voting rights, then such proxy shall not act as a proxy for any other person or shareholder.
2. The appointment of proxy shall be in the Form No. MGT.11 given at the end of Annual Report.
3. The Register of Members and Transfer Books of the Company will be closed from Saturday, September 22, 2018 to Friday, September 28, 2018, both days inclusive.
4. All documents referred to in the accompanying Notice are available for inspection at the Registered Office of the Company during office hours on all days except Saturdays, Sundays and public holidays, up to the date of the Annual General Meeting.
5. Corporate Members intending to send their authorized representative to attend the meeting are requested to send to the company a certified true copy of the resolution passed at the Board Meeting authorizing their representative to attend and vote on behalf of the Company. In case of joint holders attending the meeting, only such joint holder who is higher in the order of names will be entitled to vote. Members are requested to bring their attendance slip along with their copy of Annual Report to the Meeting.
6. Members seeking any information or for any queries to write to the Directors at the Registered office at least a week advance so as to enable to keep the information ready at the meeting.
7. To support the 'Green Initiative', the Members who have not registered their e-mail addresses are requested to register the same with M/s. Purva Shareregistry (India) Private Limited, the Registrar & Share Transfer Agent.
8. The Notice of the AGM along with the Annual Report 2017-18 is being sent by electronic mode to those Members whose e-mail addresses are registered with the Company/Depositories, unless any Member has requested for a physical copy of the same. For Members who have not registered their e-mail addresses, physical copies are being sent by the permitted mode.
9. Members holding shares in electronic form are requested to intimate any changes in their address or bank mandates to their depositories participants with whom they are maintaining their demat accounts immediately. Members holding shares in physical form are requested to advise any change of address immediately to M/s. Purva Shareregistry (India) Private Limited, the Registrar & Share Transfer Agent.
10. In compliance with provisions of Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended by the Companies (Management and Administration) Amendment Rules, 2015 and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company is pleased to provide members facility to exercise their right to vote on resolutions proposed to be considered at the Annual General Meeting (AGM) by electronic means and the business may be transacted through e-Voting Services. The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).
11. The facility for voting through ballot paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through ballot paper.
12. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
13. The e-voting period commences on Tuesday, September 25, 2018 (09:00 a.m. IST) and ends on Thursday, September 27, 2018 (05:00 p.m. IST). During this period, Members of the Company, holding shares either in physical form or in dematerialized form, as on cut off date of September 21, 2018, may cast their vote electronically. The e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the Member, he shall not be allowed to change it subsequently.
14. The procedure to login to e-Voting website consists of two steps as detailed hereunder:

Step 1 : Log-in to NSDL e-Voting system

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/>.
2. Once the home page of e-Voting system is launched, click on the icon “Login” which is available under ‘Shareholders’ section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen. Alternatively, if you are registered for NSDL eservices i.e. IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.
4. Your User ID details will be as per details given below :
 - a) For Members who hold shares in demat account with NSDL: 8 Character DP ID followed by 8 Digit Client ID (For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****).

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The management of Fortune International Limited presents the analysis of the performance of the Company for the year 2016-17 and its outlook for the future. This outlook is based on an assessment of the current business environment. It may vary due to future economy and other developments both in India and Abroad.

1. Industry structure and developments.

The Indian products have a huge demand in the foreign markets. The export business in India has been flourishing and according to reports it contributes a huge share to the development of the country. The Indian exporters have succeeded in standing the stiff competition prevalent in the foreign markets through skilled manpower and quality products.

2. Opportunities and Threats.

Indian exporters have a healthy competition with neighboring countries which has further led to the growth of export sector in the Country. The government has created new opportunities by introducing several policies to augment the export sector. The introduction of various trade policies have led to a substantial flow of foreign currency. There are certain opportunities and strengths in the export business which has been specified below.

OPPORTUNITIES

- An unfulfilled customer need.
- Arrival of new technologies.
- Loosening of regulations.
- Removal of international trade barriers.
- Patents
- Strong brand names.
- Good reputation among customers.
- Cost advantages from proprietary know-how.
- Exclusive access to high grade natural resources.
- Favorable access to distribution networks.

THREATS

- Changes in the external environmental also may present threats to the firm. Some examples of such threats include:
- Shifts in consumer tastes away from the firm's products
- Emergence of substitute products.
- New regulations. International labor and environmental Laws.
- Increased trade barriers
- Threat for traditional market facing the product diversification;
- Competition from other developing countries, especially China;

3. Risks and concerns.

Export business can be a great opportunity, but it is risky and challenging at the same time which is totally different from those encountered domestically. Increasing competition remains the major problem of the industry especially with China. Risk can be identified in the following factors:

- a) **Political Risk:** The Country where our client is located may experience major political instability. Such instability could result in defaults on payments, confiscation of property, exchange transfer blockages etc.

- b) **Legal Risk:** At domestic level, businesses are subject to a myriad of laws, regulations, and restrictions. But there are much more complexities in international business. International transactions are governed by unilateral measures, bilateral relationships, multilateral and regional agreements. The differences in law may have impact in such areas as taxation, currency dealings, and property rights and employments practices.
- c) **Credit Risk:** While doing business internationally, trading can seem complicated and risky. Besides political, legal and other risks, the most common problem businesses face is the risk in the transaction.
- d) **Exchange Rate Risk:** Our major business involves export to the other Countries and the transactions are primarily done in other currency. The exchange rate between the Rupee and other currencies change substantially and could fluctuate substantially in the future. Fluctuations in Indian Rupee against other foreign currencies may adversely affect our results of operations.

4. Internal control systems and their adequacy.

Your company has a well settled internal control system and policies and procedures for operations accounting and financial reporting as well as compliance. An effective internal Audit function adds the elements of completeness to the System of Internal Control, The Internal Auditor are an Independent firm who present their finding and report to the Audit Committee on the regular basis.

5. Discussion on financial performance with respect to operational performance.

The Board has discussed the performance of the Company in its Board's Report

6. Material developments in Human Resources / Industrial Relations front, including number of people employed.

The company realized and understands that the human resources are the most valuable assets that it has and it takes pains to see that there are not overlook in the process of trying business and profit. The Company also understand that it depends on the experience ability skills and knowledge of his employee and therefore takes pains to encourage them to expand the knowledge and as and when as required sends them for courses which will develop their skills and knowledge. The Company also offers attractive remuneration, conducive working atmosphere. The Company had peaceful industrial relation with employees and the company continues to focus on Human Resource Development to enhance the employee performance and promote knowledge integration.

7. Cautionary Statement

Statements in the Management Discussion and Analysis, describing the Company's objectives, projections and estimates are forward looking statements and progressive within the meaning of applicable security laws and regulations. Actual results may vary from those expressed or implied, depending upon the economic conditions, government policies and other incidental/ related factors.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Fortune International Limited

Report on the Financial Statements

We have audited the accompanying financial statements **Fortune International Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement, the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018, and its loss, total comprehensive income, its cash flows and changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143 (3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss Statement including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this report are in agreement with the books of account.
 - (d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules there under.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which will impact on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.

Annexure - B to the Auditors' Report

To the Members of

Fortune International Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Fortune International Limited** ("the Company") as of 31 March 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of col-

lusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Company overview

Fortune International Limited is Govt. of India recognized Start Trading House, engaged in the business of procuring, trading and exporting a number of product groups including engineering goods commodities to various parts of the world.

2. Basis of preparation of financial statements**a) Accounting convention**

The financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the companies (Indian Accounting Standards) Amendment Rules, 2016

For all periods upto and including the year ended March 31, 2017, the Company had prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards (Previous GAAP) as notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent applicable, and the presentation requirements of the Companies Act, 2013.

Pursuant to the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards notified under Section 133 read with Rule 4A of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) (Amendment) Rules, 2016 as amended and the relevant provisions of the Companies Act, 2013 (collectively, "Ind AS") with effect from April 1, 2017 and the Company is required to prepare its financial statements in accordance with Ind AS for the year ended March 31, 2017. These financial statements for the year ended March 31, 2018 are the first financial statements the company has prepared in accordance with Ind AS.

The transition to Ind AS was carried out in accordance with Ind AS 101 First- Time Adoption of Indian Accounting Standards with the date of transition as April 01, 2016. There is no transition effect during the year from the date of transition as April 01, 2016.

b) Basis of measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realisation/settlement within twelve months period from the balance sheet date.

c) Key accounting judgement, estimates and assumptions

The preparation of the financial statements required the management to exercise judgment and to make estimates and assumptions. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revision to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future period.

d) Functional and presentation currency

The functional and presentation currency of the Company is the Indian Rupee.

e) Foreign currency transaction

Foreign currency transactions are translated at the exchange rate that approximates the prevalent exchange rate on the transaction date. Monetary assets and liabilities in foreign currencies are translated at the year-end rate. Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

3. Significant Accounting Policies

The Company has applied the following accounting policies to all periods presented in the financial statements.

a) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, and represents amounts exclusive of excise duty receivable for goods supplied, stated net of discounts, returns and value added taxes. The company recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company's activities, as described below.

Sale of Goods and services

Sales are recognised when the significant risks and rewards of ownership of the goods are transferred to the buyer as per terms of contract. Income and fees from services are accounted as per terms of relevant contractual agreements/arrangements.

Revenue from sale of power is recognised when delivered and measured based on rates as per bilateral contractual agreements with buyers and at rate arrived at based on the principles laid down under the relevant Tariff Regulations as notified by the regulatory bodies, as applicable.

Interest Income

Interest income is recognised on accrual basis as per the terms of relevant contracts or by using the effective interest method, where applicable

Investment income

Incomes from investments are accounted on an accrual basis.

b) Property, Plant and Equipment
Transition to Ind AS:

The Company has elected to continue with the net carrying value of all its property, plant and equipment recognized as of April 1, 2016 (transition date) as per the previous GAAP and use that carrying value as its deemed cost.

- i) Recognition and measurement: Property, plant and equipment are carried at cost of acquisition less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to an item of fixed asset are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All repairs and maintenance are charged to the Statement of Profit and Loss during the financial year in which they are incurred.
- ii) Depreciation: Depreciation of other items of Property, Plant and Equipment are provided on a straight line basis over the estimated useful life of the asset or as prescribed in Schedule II to the Companies Act, 2013 or based on technical evaluation of the asset. Estimated useful life of items of property, plant and equipment are as follows:

Type of Asset	Estimated Useful Life
Furniture & Fittings	10 years
Computers & Printers	3 years
Office Equipment's	5 years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The Company assesses at each balance sheet date whether there is objective evidence that an asset or a group of assets is impaired. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing the sale proceeds with the carrying amount and are recognised within operating profit in the Income statement.

c) Financial Instruments**Financial Assets**

The Company classifies its financial assets in the following categories:

- i) **Financial assets at amortised cost** - Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value which usually represents cost plus transaction costs and subsequently carried at amortised cost using the effective interest method, less any impairment loss if any.

Financial assets at amortised cost are represented by trade receivables, security and other deposits, cash and cash equivalent, employee and other advances.

- ii) **Equity investments** - Investment in subsidiaries/associates are stated at cost. All other equity investments are measured at fair value, except for certain unquoted equity investments which are carried at cost where the fair value of these investments cannot be reliably measured.

- iii) **Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI)** – For investments which are not held for trading purposes and where the company has exercised the option to classify the investment as at FVTOCI, all fair value changes on the investment are recognized in OCI. The accumulated gains or losses on such investments are not recycled to the Statement of Profit and Loss even on sale of such investment.

- iv) **Financial assets at Fair Value through Profit and loss (FVTPL)** - Financial assets other than the equity investments and investment classified as FVTOCI are measured at FVTPL. These include surplus funds invested in mutual funds etc.

- v) **Impairment of financial assets** - The Company assesses at each balance sheet date whether there is objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

Financial liabilities**Initial recognition and measurement**

Financial liabilities are measured at amortised cost using effective interest method. For trade and other payable maturing within one year from the Balance Sheet date, the carrying value approximates fair value due to short maturity.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

d) Inventories

Inventories are stated at the lower of cost and net realisable value, less any provision for obsolescence. Cost is determined on the following basis:

- purchased raw material and traded goods are recorded at cost on a first-in, first-out ("FIFO") basis.

- Finished products are valued at raw material cost plus costs of conversion, comprising labour costs and an attributable proportion of manufacturing overheads based on normal levels of activity and are moved out of inventory on a FIFO basis.
- Net realisable value is determined based on estimated selling price, less further costs expected to be incurred to completion and disposal.

e) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted. The discount rate used to determine the present value is a pre- tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

f) Income Tax**a) Current Income Tax**

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with local laws of various jurisdiction where the Company operates.

b) Deferred Tax:

Deferred tax is provided using the balance sheet approach on differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Current and Deferred Tax are recognised in the Statement of Profit and Loss except to items recognised directly in Other Comprehensive income or equity, in which case the deferred tax is recognised in Other Comprehensive Income and equity respectively.

g) Leases**As a lessee**

Lease of assets, where the Company, as a lessee, has substantially assumed all the risks and rewards of ownership are classified as finance leases. Assets acquired on finance lease are capitalised and depreciated as per Company's policy on Property, Plant and Equipment. Finance lease are measured at the lease's inception at the lower of fair value of the leased property and the present value of the minimum lease payments. The corresponding lease rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each year.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to Statement of profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's

expected inflationary cost increases.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised as income in the Statement of profit or loss on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

h) Cash flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Company are segregated.

i) Earnings per share

The Company presents Basic and Diluted earnings per share data for its equity shares. Basic and Diluted earnings per share is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

j) Contingent Liabilities

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

k) Borrowing Costs

Borrowing costs directly relating to the acquisition, construction or production of a qualifying capital project under construction are capitalised and added to the project cost during construction until such time that the assets are substantially ready for their intended use i.e. when they are capable of commercial production. Where funds are borrowed specifically to finance a project, the amount capitalised represents the actual borrowing costs incurred. Where surplus funds are available out of money borrowed specifically to finance a project, the income generated from such current investments is deducted from the total capitalized borrowing cost. Where the funds used to finance a project form part of general borrowings, the amount capitalised is calculated using a weighted average of rates applicable to relevant general borrowings of the company during the year. Capitalisation of borrowing costs is suspended and charged to profit and loss during the extended periods when the active development on the qualifying assets is interrupted.

l) Useful economic lives and impairment of other assets

Property, plant and equipment other than mining rights are depreciated over their useful economic lives. Management reviews the useful economic lives at least once a year and any changes could affect the depreciation rates prospectively and hence the asset carrying values. The Company also reviews its property, plant and equipment, for possible impairment if there are events or changes in circumstances that indicate that carrying values of the assets may not be recoverable. In assessing the property, plant and equipment for impairment, factors leading to significant reduction in profits such as changes in prices, the Company's business plans and changes in regulatory environment are taken into consideration.

The carrying value of the assets of a cash generating unit (CGU) is compared with the recoverable amount of those assets, that is, the higher of fair value less costs of disposal and value in use. Recoverable value is based on the management estimates of prices, market demand and supply, economic and regulatory climates, long-term plan, discount rates and other factors. Any subsequent changes to cash flow due to changes in the above mentioned factors could impact the carrying value of the assets.

The Stand Alone financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended, read with relevant rules issued thereunder in terms of the SEBI LODR, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the then applicable Accounting Standards in India ('previous GAAP'). The adoption of Ind AS was carried out in accordance with Ind AS 101, considering April 1, 2016 as the transition date. Pursuant to adoption of Ind AS, the differences in the carrying amounts of assets and liabilities on the transition date under the previous GAAP and the balances on adoption of Ind AS have been recognised directly in equity. The financial statements for the year ended March 31, 2017 and the Balance Sheet as at the transition date and as at March 31, 2017 have been presented under Ind AS for comparative purposes. Accounting policies have been applied consistently to all periods presented in these Stand alone Financial Results

We have audited the accompanying consolidated financial statements of **Fortune International Limited** and its associate (the Company and its associate together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flow, the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (herein after referred to as "the Consolidated Ind AS Financial Statements")

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated state of affairs, consolidated profit/loss and other comprehensive income, consolidated statement of cash flow and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated Ind financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the consolidated Ind financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their report referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2018, their consolidated profit (including other comprehensive income), their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of the other auditor on separate financial statements and the other financial information of an associate as noted in the 'other matter' paragraph, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the report of the other auditor.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Cash Flow and Consolidated Statement of Changes in Equity dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.
 - (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules there under.
 - (e) On the basis of the written representations received from the directors of the Company as on 31st March, 2018 taken on record by the Board of Directors of the Company, none of the directors of the Group companies are disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A" and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on separate financial statements as also the other financial information of an associate as below:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group if any.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2018.

Annexure - A**To the Independent Auditor's Report on the Consolidated Ind AS Financial Statements of Fortune International Limited****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Fortune International Limited** ("the Company") as of 31st March 2018 in conjunction with our audit of the Consolidated Ind AS Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Company, are responsible for establishing and maintaining internal financial controls based on the internal controls with reference to financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company, internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial control system with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company, have in all material respects, an adequate internal financial control system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at 31st March 2018, based on the internal controls with reference to financial statements criteria established by the Company, considering the essential components of internal controls stated in the Guidance Note issued by the ICAI.

1. Company overview

Fortune International Limited is Govt. of India recognized Start Trading House, engaged in the business of procuring, trading and exporting a number of product groups including engineering goods commodities to various parts of the world.

2. Basis of preparation of financial statements
a) Accounting convention

The financial statements are prepared in accordance with the Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended by the companies (Indian Accounting Standards) Amendment Rules, 2016

For all periods upto and including the year ended March 31, 2017, the Company had prepared its financial statements in accordance with Generally Accepted Accounting Principles (GAAP) in India and complied with the accounting standards (Previous GAAP) as notified under Section 133 of the Companies Act, 2013 read together with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent applicable, and the presentation requirements of the Companies Act, 2013.

Pursuant to the notification dated February 16, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards notified under Section 133 read with Rule 4A of the Companies (Indian Accounting Standards) Rules, 2015, Companies (Indian Accounting Standards) (Amendment) Rules, 2016 as amended and the relevant provisions of the Companies Act, 2013 (collectively, "Ind AS") with effect from April 1, 2017 and the Company is required to prepare its financial statements in accordance with Ind AS for the year ended March 31, 2017. These financial statements for the year ended March 31, 2018 are the first financial statements the company has prepared in accordance with Ind AS.

The transition to Ind AS was carried out in accordance with Ind AS 101 First- Time Adoption of Indian Accounting Standards with the date of transition as April 01, 2016. There is no transition effect during the year from the date of transition as April 01, 2016.

b) Basis of measurement

The financial statements have been prepared on an accrual basis and in accordance with the historical cost convention, unless otherwise stated. These financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. All assets and liabilities are classified into current and non-current based on the operating cycle of less than twelve months or based on the criteria of realisation/settlement within twelve months period from the balance sheet date.

Subsidiaries/Associates included in consolidation

Name of Enterprises	Country of incorporation	Nature of Business	Controlling Interest
Fortune Stones Limited	India	Granite Mining	36.01%

c) Key accounting judgement, estimates and assumptions

The preparation of the financial statements required the management to exercise judgment and to make estimates and assumptions. These estimates and associated assumptions are based on historical experiences and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. The estimates and underlying assumptions are reviewed on an on-going basis. Revision to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future period.

d) Functional and presentation currency

The functional and presentation currency of the Company is the Indian Rupee.

e) Foreign currency transaction

Foreign currency transactions are translated at the exchange rate that approximates the prevalent exchange rate on the transaction date. Monetary assets and liabilities in foreign currencies are translated at the year-end rate. Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

3. Significant Accounting Policies

The Company has applied the following accounting policies to all periods presented in the financial statements.

Basis of Consolidation Associates

Investments in associates are accounted for using the equity method. An associate is an entity over which the Group is in a position to exercise significant influence over operating and financial policies. Goodwill arising on the acquisition of associates is included in the carrying value of investments in associate.

a) Revenue Recognition

Revenue is measured at the fair value of the consideration received or receivable, and represents amounts exclusive of excise duty receivable for goods supplied, stated net of discounts, returns and value added taxes. The company recognises revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company's activities, as described below.

Sale of Goods and services

Sales are recognised when the significant risks and rewards of ownership of the goods are transferred to the buyer as per terms of contract. Income and fees from services are accounted as per terms of relevant contractual agreements/arrangements.

Revenue from sale of power is recognised when delivered and measured based on rates as per bilateral contractual agreements with buyers and at rate arrived at based on the principles laid down under the relevant Tariff Regulations as notified by the regulatory bodies, as applicable.

Interest Income

Interest income is recognised on accrual basis as per the terms of relevant contracts or by using the effective interest method, where applicable

Investment income

Incomes from investments are accounted on an accrual basis.

b) Property, Plant and Equipment**Transition to Ind AS:**

The Company has elected to continue with the net carrying value of all its property, plant and equipment recognized as of April 1, 2016 (transition date) as per the previous GAAP and use that carrying value as its deemed cost.

- i) Recognition and measurement: Property, plant and equipment are carried at cost of acquisition less accumulated depreciation and accumulated impairment loss, if any. Subsequent expenditure related to an item of fixed asset are added to its book value only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognised. All repairs and maintenance are charged to the Statement of Profit and Loss during the financial year in which they are incurred.
- ii) Depreciation: Depreciation of other items of Property, Plant and Equipment are provided on a straight line basis over the estimated useful life of the asset or as prescribed in Schedule II to the Companies Act, 2013 or based on technical evaluation of the asset. Estimated useful life of items of property, plant and equipment are as follows:

Type of Asset	Estimated Useful Life
Furniture & Fittings	10 years
Computers & Printers	3 years
Office Equipment's	5 years

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

The Company assesses at each balance sheet date whether there is objective evidence that an asset or a group of assets is impaired. An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing the sale proceeds with the carrying amount and are recognised within operating profit in the Income statement.

c) Financial Instruments

Financial Assets

The Company classifies its financial assets in the following categories:

- i) **Financial assets at amortised cost** - Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost.

They are presented as current assets, except for those maturing later than 12 months after the reporting date which are presented as non-current assets. Financial assets are measured initially at fair value which usually represents cost plus transaction costs and subsequently carried at amortised cost using the effective interest method, less any impairment loss if any.

Financial assets at amortised cost are represented by trade receivables, security and other deposits, cash and cash equivalent, employee and other advances.

- ii) **Equity investments** - Investment in subsidiaries/associates are stated at cost. All other equity investments are measured at fair value, except for certain unquoted equity investments which are carried at cost where the fair value of these investments cannot be reliably measured.

- iii) **Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI)** – For investments which are not held for trading purposes and where the company has exercised the option to classify the investment as at FVTOCI, all fair value changes on the investment are recognized in OCI. The accumulated gains or losses on such investments are not recycled to the Statement of Profit and Loss even on sale of such investment.

- iv) **Financial assets at Fair Value through Profit and loss (FVTPL)** - Financial assets other than the equity investments and investment classified as FVTOCI are measured at FVTPL. These include surplus funds invested in mutual funds etc.

- v) **Impairment of financial assets** - The Company assesses at each balance sheet date whether there is objective evidence that a financial asset or a group of financial assets is impaired. A financial asset or a group of financial assets is impaired and impairment losses are incurred only if there is objective evidence of impairment as a result of one or more events that occurred after the initial recognition of the asset (a 'loss event') and that loss event (or events) has an impact on the estimated future cash flows of the financial asset or group of financial assets that can be reliably estimated.

Financial liabilities

Initial recognition and measurement

Financial liabilities are measured at amortised cost using effective interest method. For trade and other

payable maturing within one year from the Balance Sheet date, the carrying value approximates fair value due to short maturity.

Offsetting financial instruments

Financial assets and liabilities are offset and the net amount reported in the Balance Sheet when there is a legally enforceable right to offset the recognized amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the company or the counterparty.

d) Inventories

Inventories are stated at the lower of cost and net realisable value, less any provision for obsolescence. Cost is determined on the following basis:

- purchased raw material and traded goods are recorded at cost on a first-in, first-out ("FIFO") basis.
- finished products are valued at raw material cost plus costs of conversion, comprising labour costs and an attributable proportion of manufacturing overheads based on normal levels of activity and are moved out of inventory on a FIFO basis.

Net realisable value is determined based on estimated selling price, less further costs expected to be incurred to completion and disposal.

e) Employee benefits

The Company operates various post-employment schemes, including both defined benefit and defined contribution plans:

Defined contribution plan:

Contributions to defined contribution schemes such as contribution to Provident Fund, Employees' State Insurance Corporation, National Pension Scheme and Labours Welfare Fund are charged as an expense to the Statement of Profit and Loss based on the amount of contribution required to be made as and when services are rendered by the employees. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

Defined benefit plan:**Gratuity:**

Gratuity liability is a defined benefit obligation and is computed on the basis of an actuarial valuation by an actuary appointed for the purpose as per projected unit credit method at the end of each financial year. The liability or asset recognised in the Balance Sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The liability so provided is paid to a Trust administered by the Company, which in turn invests in eligible securities to meet the liability as and when it accrues for payment in future. Any shortfall in the value of assets over the defined benefit obligation is recognised as a liability with a corresponding charge to the Statement of Profit and Loss.

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on Government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized in the period in which they occur directly in Other Comprehensive Income. They are included in retained earnings in the Statement of changes in equity and in the Balance Sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

f) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. If the effect of the time value of money is material, provisions are discounted. The discount rate used to determine the present value is a pre- tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

g) Income Tax

a) Current Income Tax

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with local laws of various jurisdiction where the Company operates.

b) Deferred Tax:

Deferred tax is provided using the balance sheet approach on differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Current and Deferred Tax are recognised in the Statement of Profit and Loss except to items recognised directly in Other Comprehensive income or equity, in which case the deferred tax is recognised in Other Comprehensive Income and equity respectively.

h) Leases

As a lessee

Lease of assets, where the Company, as a lessee, has substantially assumed all the risks and rewards of ownership are classified as finance leases. Assets acquired on finance lease are capitalised and depreciated as per Company's policy on Property, Plant and Equipment. Finance lease are measured at the lease's inception at the lower of fair value of the leased property and the present value of the minimum lease payments. The corresponding lease rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each year.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to Statement of profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised as income in the Statement of profit or loss on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases.

i) Cash flow Statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipt or payments and item of income or expense associated with investing or financing cash-flows. The cash flow from operating, investing and financing activities of the Company are segregated.

j) Earnings per share

The Company presents Basic and Diluted earnings per share data for its equity shares. Basic and Diluted earnings per share is calculated by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

k) Contingent Liabilities

Contingent liabilities exist when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or nonoccurrence of one or more uncertain future events not wholly within the control of the Company, or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required or the amount cannot be reliably estimated. Contingent liabilities are appropriately disclosed unless the possibility of an outflow of resources embodying economic benefits is remote.

l) Borrowing Costs

Borrowing costs directly relating to the acquisition, construction or production of a qualifying capital project under construction are capitalised and added to the project cost during construction until such time that the assets are substantially ready for their intended use i.e. when they are capable of commercial production. Where funds are borrowed specifically to finance a project, the amount capitalised represents the actual borrowing costs incurred. Where surplus funds are available out of money borrowed specifically to finance a project, the income generated from such current investments is deducted from the total capitalized borrowing cost. Where the funds used to finance a project form part of general borrowings, the amount capitalised is calculated using a weighted average of rates applicable to relevant general borrowings of the company during the year. Capitalisation of borrowing costs is suspended and charged to profit and loss during the extended periods when the active development on the qualifying assets is interrupted.

m) Useful economic lives and impairment of other assets

Property, plant and equipment other than mining rights are depreciated over their useful economic lives. Management reviews the useful economic lives at least once a year and any changes could affect the depreciation rates prospectively and hence the asset carrying values. The Company also reviews its property, plant and equipment, for possible impairment if there are events or changes in circumstances that indicate that carrying values of the assets may not be recoverable. In assessing the property, plant and equipment for impairment, factors leading to significant reduction in profits such as changes in prices, the Company's business plans and changes in regulatory environment are taken into consideration.

The carrying value of the assets of a cash generating unit (CGU) is compared with the recoverable amount of those assets, that is, the higher of fair value less costs of disposal and value in use. Recoverable value is based on the management estimates of prices, market demand and supply, economic and regulatory climates, long-term plan, discount rates and other factors. Any subsequent changes to cash flow due to changes in the above mentioned factors could impact the carrying value of the assets.

Consolidated Notes to the financial statements for the year ended March 31, 2018

Note : 18 There is no contingent liabilities during the year

Note : 19 First Time Adoption

The Stand Alone financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 as amended, read with relevant rules issued thereunder in terms of the SEBI LODR, as modified by Circular No. CIR/CFD/FAC/62/2016 dated July 5, 2016.

For periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the then applicable Accounting Standards in India ('previous GAAP'). The adoption of Ind AS was carried out in accordance with Ind AS 101, considering April 1, 2016 as the transition date. Pursuant to adoption of Ind AS, the differences in the carrying amounts of assets and liabilities on the transition date under the previous GAAP and the balances on adoption of Ind AS have been recognised directly in equity. The financial statements for the year ended March 31, 2017 and the Balance Sheet as at the transition date and as at March 31, 2017 have been presented under Ind AS for comparative purposes. Accounting policies have been applied consistently to all periods presented in these Stand alone Financial Results
